&&*

I am to inform that this Department has on-boarded Pre-Matric and Post-Matric scholarships in NSP Portal from the year 2020-21 and applications are received through online after verification by the institutions concerned. In this regard, it is stated that the fees edit option has been given to the institutions and not vested with the Adi Dravidar Welfare and Scheduled Tribes Welfare Department.

It is observed that the Educational Institutions who are verifying the online applications are simply uploading without verifying the fee structure. It is stated that the fees fixed by the Statutory Fee Committee has to be uploaded and the fees edit option is available for the Educational Institutions. The Educational Institutions may please be advised to verify the fees structure and edit the same according to the fees fixed by the Fee Committee and upload the same for further process. If the fees edit option is not verified the scholarship given could not be released by this Department.

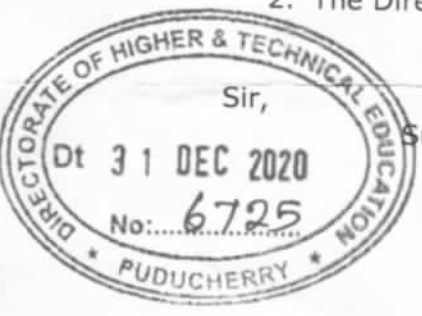

Therefore, it is requested that the Educational Institutions who are processing the Pre-Matric and Post-Matric scholarship applications online through NSP Portal may be advised to edit fees options according to the fees fixed by the Statutory Fee Committee.

Yours faithfully,
