A GLIMPSE OF OUR COLLEGE

Pope John Paul II College of Education was founded by His Grace, Dr. V.S.Selvanathar, Former Archbishop of Pondicherry - Cuddalore, on 23rd July 1986 to commemorate the historic visit of the Saintly Pope John Paul II to India. It is a Christian minority institution, established and managed by the Archdiocese of Pondicherry-Cuddalore.

Over the years, guided by the illustrious former Archbishops Dr. Michael Augustine, Dr. Antony Anandarayar and the present Archbishop Dr. Francis Kalist, the college has evolved into a premier institute of teacher training, ushering transformational changes in administration, providing optimum infrastructural facilities, diversifying courses, adopting innovative digital teaching-learning strategies and maintaining a positive learning and serene environment.

It has been recognized by NCTE and is affiliated to the Pondicherry University. Presently, it is the only College of Education in the UT of Puducherry, which has been reaccredited (2nd cycle) with an "A" grade (in 4-point scale) by NAAC in 2016. It offers three distinct Teacher Education Programmes viz Two year B.Ed, Four years Integrated programmes of B.A.B.Ed (English) and B.Sc..B.Ed with Mathematics, Physics and Chemistry as main subjects. B.C.A degree course has been started from the academic year 2020, with the required affiliation from the Pondicherry University. M.C.A. course is also run as a stand alone Technical Programme by the college.

True to its vision, the college focuses on both academic excellence and holistic personal formation. The trainees are put through a rigorous regiment of classroom teaching, supervised practice of teaching, continuous assessment, intra-and-inter college curricular and extra-curricular competitions.

The Placement Cell of the College is very active and highly successful. It has several tie-ups with leading schools and reputed companies. Campus Recruitment Drives, usually held in Jan-March every year, are a hit with the students. As our trainees excel in academics, exhibit traits of inspiring teachers, exude confidence in handling ICT tools and possess excellent classroom management skills, they are much sought after.

VISION

The Teacher Education Programmes which we provide seek to develop in the trainees, knowledge without frontiers, understanding without prejudice and professional competencies without lacuna. They promote value-oriented education contributing to the unity and integrity of the people.

MISSION

The quintessence of our teacher education programmes is "quality". Such a sublime mission, we believe, will widen the mental horizon, develop generosity, inculcate values, perfect professional and life skills, elevate the soul and benefit the nation. We undertake several steps to improve the quality of Teacher Education.

MOTTO

The Motto of the College is "Let Your Light Shine". It quietly directs the trainees to enlighten themselves and the community.
